

# Spilsby branch is closing soon

Following an in-depth review, this branch will close on 12 November 2019

## Background and decision

Our customers' needs are changing. Nearly 16 million people now bank with us through Internet Banking and almost 11 million use Mobile Banking. Branches will remain vital in meeting customers' needs but we must continually review our network to make sure we have branches in locations where customers need and use them the most.

As a result, we've made the difficult decision to close this branch because of the changing ways customers choose to bank with us – most are already using an alternative way to bank in addition to the branch.

## What this means for you

You can continue to use any other Lloyds Bank branch and the nearest alternative is the Horncastle branch. There will also be a new Mobile Branch service visiting the Spilsby area.

You can also use your local Post Office® for many everyday banking transactions.

We'll still be here to support you, and there are other ways you can continue to do your banking – take a look at this document to find out about these in more detail, as well as a summary of our review.

## How we made our closure decision

When we close a branch, we complete a detailed impact analysis which includes:

- How customers are choosing to bank with us
- How often customers use the branch and how that usage is changing
- Current services available in the branch and the branch opening hours.
- Assessment and check of alternative ways to bank including their proximity and accessibility - this is confirmed by a visit
- Assessment of public transport, availability and frequency
- Impact on our customers including those who may need additional support.

By regularly reviewing our branches we can make sure we respond to our customers' changing needs.
